SEPA DAT ONBOARDING

How to Find Your Assigned Trainings

A step-by-step guide to Volunteer Connection, EDGE and your transcript

Updated **October 12, 2026**

Why this guide

Finding your courses in the Red Cross onboarding system can be confusing. These ten steps take you from login to a completed GAP.

Stuck at any point?

Reach out to your **assigned Team Leader**. They can see your progress and help you through it.

Volunteer Connection log in → **EDGE** training site → **My Transcript** your assignments → **Open Curriculum** a course bundle → **Launch** take the course

PART 1 Get to your transcript

1 Go to Volunteer Connection

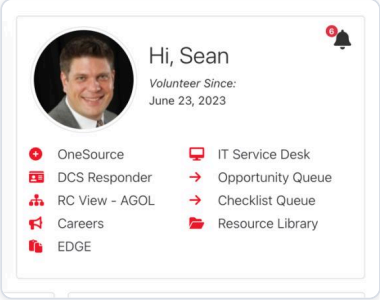

volunteerconnection.redcross.org (click the link, or type it into your browser)

2 Log in

Use your Red Cross username and password.

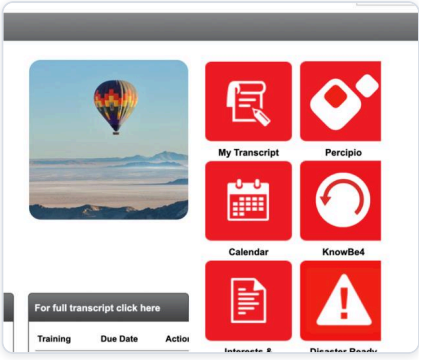

3 Find your name box

At the top right of the page is a box with your name and a list of links. Everything you need starts here.

4 Click EDGE, then My Transcript

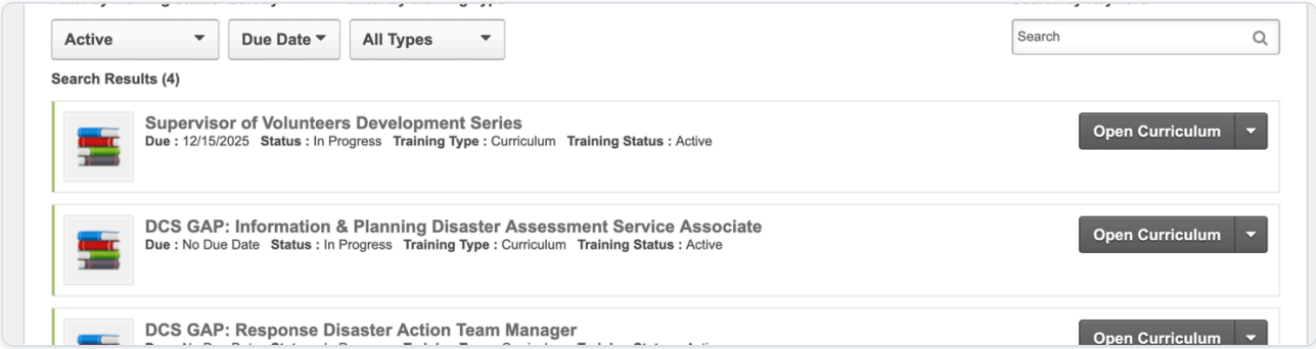

EDGE is the Red Cross training site. Your transcript lists every course and curriculum assigned to you.

PART 2 Work through your courses

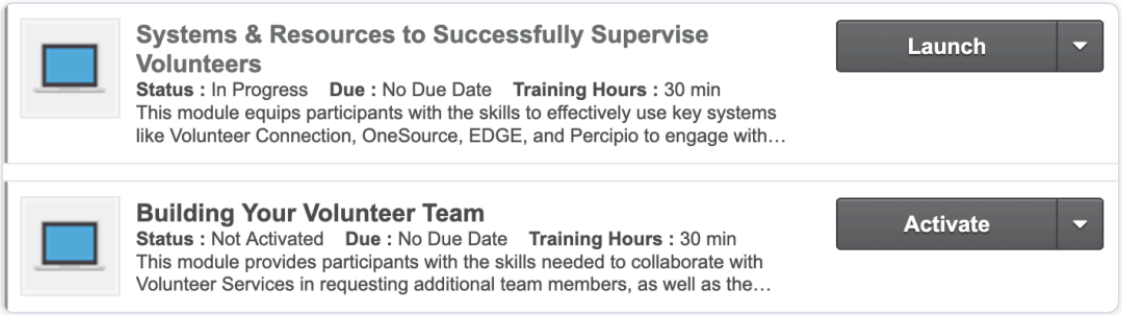

5 Click Open Curriculum

A **stack-of-books icon** means the item is a curriculum: a bundle of several courses that together earn one GAP.

6 Click Launch or Activate

Activate starts a module for the first time, then turns into **Launch**. You can pause a course and pick it up later right where you left off.

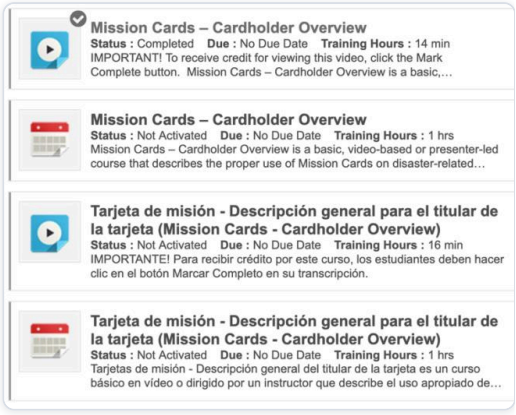

7 Take only one version of each course

The same course can appear up to four times. Pick the one that suits you and skip the rest.

- Blue icon: online
- Calendar: in person
- Spanish, online
- Spanish, in person

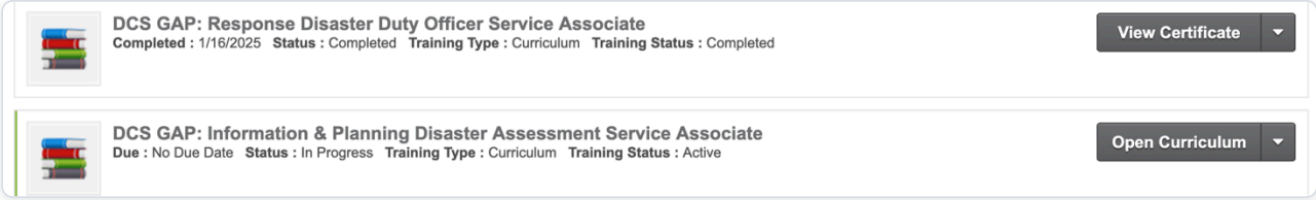

> **Complete just one.** Finishing any version counts for the course.

PART 3 Know when you are done

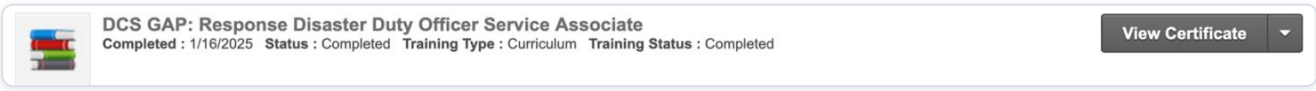

8 Look for Complete or View Certificate

A finished module shows **Complete** or **View Certificate**. Below, the GAP for Response Duty Officer is done, while Information & Planning still shows Open Curriculum.

9 Check your percentage

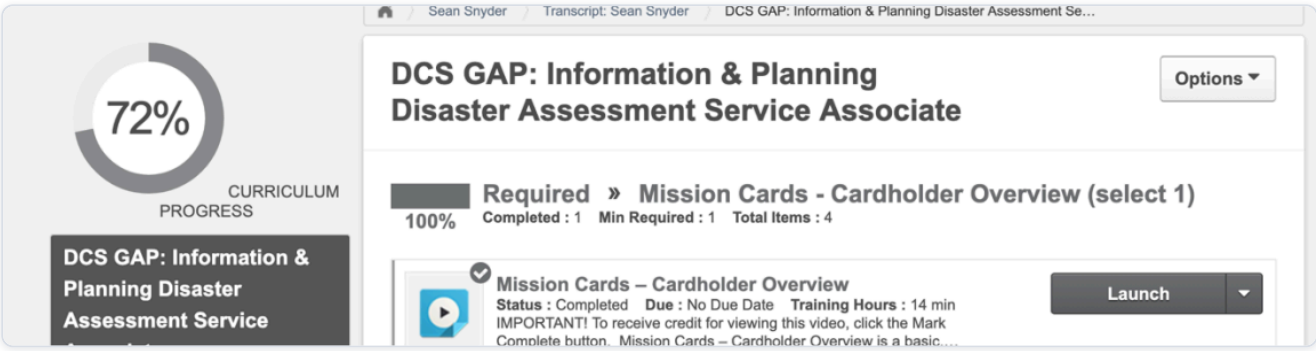

Inside a curriculum, your completion percentage appears at the top left.

> **Under 100% but nothing left to click?** You probably have an in-person course outstanding. Contact your Team Leader to get it scheduled.

10 View Certificate means you have earned the GAP

When a whole bundle shows View Certificate, you qualify for that GAP. **Email your Team Leader** so your status gets updated.

Still finding this hard to navigate?

You are not alone. The system takes some getting used to, and your Team Leader is glad to walk you through it.

Thank you for volunteering with the Red Cross!
