Southeastern Pennsylvania Region
How to Open
Resource and Referral Cases

When to Open a Resource and Referral Case

- If DDA (Detailed Damage Assessment) is not available or is not confirmed on intake, **select 0** for the number of responders who confirmed damage.
- The client is eligible for Recovery Planning and Individual Disaster Care Services Referrals.
- If DDA is obtained after intake, the Regional Event Administrator will conduct a manual DA override to add Damage Classification. Immediate Assistance will automatically be triggered and an EFT will be issued.

Select “0” for Number of Responders who confirmed Damage. Select “2” for Number of Responders who confirmed ID/Address.

Please provide the number … on or virtually.
